**TARGET:**

- Center 3" :: Points = 3
- Middle 8" :: Points = 2
- Outer 14" :: Points = 1

A weapon cutting the line between point values counts as the higher score.

The thrower may request a scoring and retrieve at any time.

Once the thrower declares the start of a throwing round, it must be continued to conclusion before they may begin a new round.

REQUIRED for SCORE: \*Weapon(s) must be sticking in the target to count. \*Weapon(s) with more than one striking surface must have the edge marked that will count for scoring. \*The thrower's foot may not touch or cross the forward line. \*All scoring must be witnessed by a TW marshal and one other person. \*RR must take place at an event or published practice to be counted.

Submit all scores to [thrownweapons\\_scorekeeper@eastkingdom.org](mailto:thrownweapons_scorekeeper@eastkingdom.org) by the 25th of the month.
