Throwers new in the rankings or with an increase in their average are noted in *italics*.

Each thrower's three highest RR scores in a rolling calendar year are averaged to calculate their ranking (a minimum of three scores within the preceding 12 months is required for a ranking). Scores are recalculated monthly.

Questions about scores and rankings may be asked to [thrownweapons\\_scorekeeper@eastkingdom.org](mailto:thrownweapons_scorekeeper@eastkingdom.org).
